Building the Learning Organisation

Today the most powerful blend of skills in the workplace is innovation and communication. Dr. Irena

Dr Irena Yashin-Shaw is an internationally acknowledged specialist in both fields. She shows people how to think to innovate and speak to influence. Her keynotes and workshops fuse together deep learning, creative and humorous delivery designed to motivate, stimulate and inspire. Her presentations are thought provoking, inspiring and insightful with an interactive and humorous delivery designed to motivate, stimulate and inspire. Her outcomes you seek when you engage her.
